

奇異恩典 Amazing Grace

1

奇異恩典，何等甘甜

Amazing grace how sweet the sound,
我罪已得赦免

That saved a wretch like me;
前我失喪，今被尋回

I once was lost, but now am found,
瞎眼今得看見

Was blind, but now I see.

2

如此恩典，使我敬畏

T'was grace that taught my heart to fear,
使我心得安慰

And grace my fears relieved;
初信之時我蒙恩惠

How precious did that grace appear,
真是何等寶貴

The hour I first believed.

經過許多危險網羅

Through many dangers, toils and snares,
飽受人間苦楚

I have already come;
此恩領我平安渡過

'Tis grace has brought me safe thus far,
他日歸回天府

And grace will lead me home.

將來在天安居萬年

When we've been there ten thousand years,
恩光如日普照

Bright shining as the sun;
好像最初蒙恩景況

We've no less days to sing God's praise,
讚美永不減少

Than when we've first begun.
