

每當我瞻仰你至聖榮面
When I Look into your Holiness

1

每當我瞻仰你至聖榮面

When I look into Your holiness,

每當我在愛中仰望你

When I gaze into Your loveliness,

在你榮耀光中

When all things that surround,

所有一切都失去光彩

Become shadows in the light of You;

何等喜樂當我進入你心意

When I've found the joy of reaching Your heart,

我全心成為你愛的寶座

When my will becomes enthroned in Your love,

在你榮耀光中

When all things that surround,

所有一切都失去光彩

Become shadows in the light of You;

每當我瞻仰你至聖榮面
When I Look into your Holiness

CHORUS

我敬拜你，我敬拜你

I worship You, I worship You,

我一生活著為要敬拜你

The reason I live is to worship You.

我敬拜你，我敬拜你

I worship You, I worship You,

我一生活著為要敬拜你

The reason I live is to worship You.
