

基督真光
Light of the world

1

基督真光 臨在漆黑的街角

Light of the world. You stepped down into darkness

驅走黑暗賜釋放

Opened my eyes, let me see

聖潔主宰 全地屈膝高舉你

Beauty that made this heart adore you

活著盼望在於你

Hope of a life spent with You

2

萬代之主 唯獨你配受景仰

King of all days. Oh so highly exalted

顯出光輝賜安慰

Glorious in heaven above

謙卑捨己 寧願降世拋尊貴

Humbly You came to the earth You created

犧牲一切賜恩惠

All for love's sake became poor

基督真光
Light of the world

CHORUS

將心給你敞開 屈膝俯伏敬拜

Here I am to worship. Here I am to bow down

歡欣歌唱願頌上主名

Here I am to say that You're my God

主基督尊貴主宰 彰顯不變厚愛

You're altogether lovely, Altogether worthy

信實極奇妙萬代尊崇

Altogether wonderful to me

BRIDGE

怎可細數？怎可知道？

I'll never know how much it cost

為我承受 多少阻咒

To see my sins upon that cross

負我困憂 將心釋透

I'll never know how much it cost

十架救恩 使我自由

To see my sins upon that cross
