

願主的國降臨  
Thy Kingdom Come, O God

1

願主的國降臨

Thy Kingdom come, O God

基督開始掌權

Thy rule, O Christ, begin

願主的鐵杖

Break with Thine iron rod

破斷罪的專制

The tyrannies of sin

2

哪裡主賜平安

Where is Thy reign of peace

純潔與及慈愛

And purity, and love

何時憎恨除清

When shall all hatred cease

如置身在天上

As in the realms above

願主的國降臨  
Thy Kingdom Come, O God

3

何時應許到來

When comes the promised time

戰爭不再發生

That war shall be no more

壓迫情慾罪惡

And lust, oppression, crime

在主面前消散

Shall flee Thy face before

4

祈求主的高陞

We pray Thee, Lord, arise

願你大權降臨

And come in Thy great might

彰顯肉眼之前

Revive our longing eyes

你榮耀奪目光

Which languish for Thy sight

願主的國降臨  
Thy Kingdom Come, O God

5

人輕蔑你聖名

Men scorn Thy sacred name

野狼侵食羊圈

And wolves devour Thy fold

行為愈見可恥

By many deeds of shame

人心變得冷漠

We learn that love grows cold

6

噢天家在上頭

O'er heathen lands afar

黑夜不再增長

Thick darkness broodeth yet

高昇明亮晨星

Arise, O Morning Star

高昇永不降下

Arise, and never set
