

主你是我最知心的朋友  
Lord, You Are My Best Friend

1

主！你是我最知心的朋友

Lord, you are my most under-standing friend

主！你是我最親愛的伴侶

Lord, you are my dearest companion

我的心在天天追想著你

You are the one who I think of each day

渴望見到你的面

How I long to see your face

在我人生的每一個台階

At every stage of my life

在我人生的每一個小站

During every break along the way

你的手總是在攙拉著我

Your hand is always holding me

把我帶在你身邊

Keeping me by Your side

主你是我最知心的朋友  
Lord, You Are My Best Friend

**1 (Cont'd)**

告訴我當走的路

Tell me the path I should take

沒有滑向死亡線

So that I will not encounter death

你愛何等的長闊深高

I will tell of Your love towards me

我心發出驚嘆

How long, wide and deep it is

有了主還要什麼

With You, I need nothing else

我心與主心想連

Lord, would You align my heart with Yours

我已起誓要跟隨主

I have vowed to follow You, my Lord

永不改變

All the days of my life
