

# 最知心的朋友 My Most Understanding Friend

## 1

主你是我最知心的朋友

Lord, you are my most understanding friend

主你是我最亲爱的伴侣

Lord, you are my dearest companion

我的心在天天追想这你

You are always on my mind, every day

渴望见到你的面

I long to see your face

在我人生的每一个台阶

At every stage of my life

在我人生的每一个小站

During each pause in my life

你的手总是在搀拉着我

Your hand is always holding me

把我带在你身边

Keeping me by your side

最知心的朋友  
My Most Understanding Friend

**CHORUS**

告诉我当走的路

Telling me the path I should take

没有滑向死亡线

So that I might not slide towards death

你的爱何等长阔高深

How long, how wide

我心发出惊叹

how deep is your love

有了主还要什么

With you, I need nothing else

我心与主心相连

My heart is joined to yours

我已起誓要跟随主

I have vowed to follow you

永不改变

And never change my mind
