

# Love In Any Language

## 1

Je t'aime

Te amo

Ye tyibya lyabiyim

Ani ohevet othka

I love you

The sounds are all as different

As the lands from which they came

And though our words are all unique

Our hearts are still the same

## 2

We teach the young our differences

Yet look how we're the same

We love to laugh, and dream our dreams

We know the sting of pain

From Lexington to Leningrad

The farmer loves his land

And daddies all get misty-eyed

To give their daughter's hand

Oh maybe when we realize

How much there is to share

We'll find too much in common

To pretend it isn't there

# Love In Any Language

## **CHORUS**

Love in any language  
Straight from the heart  
Pulls us all together  
Never apart  
And once we learn to speak it  
All the world will hear  
Love in any language  
Fluently spoken here

## **BRIDGE**

Though the rhetoric of government  
May keep us worlds apart  
There's no misinterpreting  
The language of the heart
